

Does your business require WSIB?

What is WSIB coverage?

The Workplace Safety and Insurance Board (WSIB) provides workplace insurance coverage for employers. This is no-fault insurance that covers all employees against any work-related injury or illness.

What are the benefits of registering my company for WSIB Coverage?

- This is a no-fault insurance system. This means employees can obtain workplace injury insurance benefits without proving their employer was to blame for their injury or illness.
- Coverage provides greater protection for your business. In most cases, workers cannot sue you or your company for work-related injuries or illnesses.
- Benefits for your workforce – WSIB Insurance replaces lost earnings and incurred health costs from work related injuries and illnesses.
- Assistance in returning your workers to the job – and returning your business to full productivity and functionality.
- Access to training and prevention programs.
- Peace of mind for you and your business.
- Access to experts in health and safety for your business sector.

Does your business need to register for WSIB coverage?
